ALERT
Jaguar Land Rover Trust Centre Technical Issues

NASTF is aware of a problem with the JLR Trust Centre used by LSID holders to acquire key codes. We are working with Jaguar to resolve this issue as soon as possible. The symptoms are that your LSID will be ignored and you will be taken to a support page. Watch here for updates. As always when this message disappears the problem is resolved.

Thank you for calling NASTF; The menu has changed, really!
